Muse Simulation Theory 2019 World Tour

Every ticket purchased includes your choice of a standard physical* or a standard digital copy of Simulation Theory.

You will be sent a redemption code via email from December 3rd 2018 (January 7th 2019 for purchasers in France and Italy).

Each unique code can only be used once to redeem a single copy of Simulation Theory.

If you already own a copy of Simulation Theory please feel free to share with family, friends, colleagues etc. Full details of how you can gift the album will be given on the redemption page reached via a link we will send you.

Enjoy the show!

*Physical copies carry a postage and packing charge.
